We have received your check for \$1,923.75 in payment of Invoice #1387 covering a reduced billing for three broadcasts per week from November 16 to November 30.

However, since we carried, at your request, 6 broadcasts per week for this period, we sent a supplemental Invoice #1389 for \$607.50 to cover these additional broadcasts.

Since we have also received payment for your December Invoice #1399, we wonder if you have misplaced Invoice #1389 covering the additional broadcasts for November.

Enclosed is a copy of Invoice #1389 along with your February Invoice.

Very truly yours.

Gentlemen:

We have received your check for \$1,923.75 in payment of Invoice #1382 covering a reduced billing for three broadcasts per week from November 16 to November 30.

However, since we carried, at your request, 6 broadcasts per week for this period, we sent a supplemental Invoice #1389 for \$607.50 to cover these additional broadcasts.

Since we have also received payment for your December Invoice #1399, we wonder if you have misplaced Invoice #1389 covering the additional broadcasts for November.

Enclosed is a copy of Invoice #1389 along with your February Invoice.

Very truly yours.

Richard W. Gref. Vice President

We have received your check for \$1,923.75 in payment of invoice #1382 covering a reduced billing for three broadcasts per week from November 16 to November 30.

however, since we carried, at your request, 6 broadcasts per week for this period, we sent a supplemental invoice #1389 for \$607.50 to cover these additional broadcasts.

Since we have also received payment for your December Invoice \$1399, we wonder if you have misplaced Invoice \$1389 covering the additional broadcasts for November.

Enclosed is a copy of Invoice #1389 slong with your February Invoice.

Under the terms of our agreement with you, we hereby wish to advise you that beginning I December 1964 we desire to reduce the number of the "Medico y Usted" broadcasts from six per week to three per week. If possible we would like to retain the Monday, Wednesday and Friday time slots. If this is not possible, our second preference would be for a Tuesday. Thursday and Saturday achedule.

Thank you very much for your cooperation in this matter and we look forward to continued collaboration with you in these matters of mutual interest.

Sincerely yours,
